# 1 WELCOME

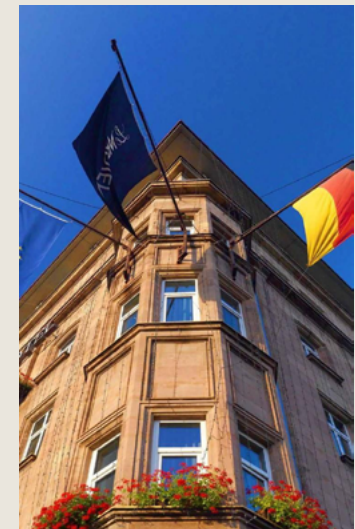

---

” Room keys that not only open doors, but also eyes.”

---

” A cuisine that spoiled palates with unique creations.”

---

” A hotel that lets you experience the city and its surroundings from a completely new perspective.”

---

” A world of discoveries awaits you!”

## 2 GUEST ROOMS

The Le Méridien Grand Hotel counts with 165 rooms and 25 suites. Luxurious, elegant rooms are spread over six different room categories. Our rooms and suites have a wonderful view of Nuremberg's old town, the historic main railway station or the quiet inner courtyard.

They are all equipped with the comfortable, unique Le Méridien beds for a great night's sleep. The bed widths vary from 120–200 cm. The elegant marble bathrooms in Art Nouveau style also emphasise the skilful combination of classic style and contemporary technology.

# 2 GUEST ROOMS

# 5.1. RICHARD-WAGNER-HALL

## Number of persons

Reception: 200

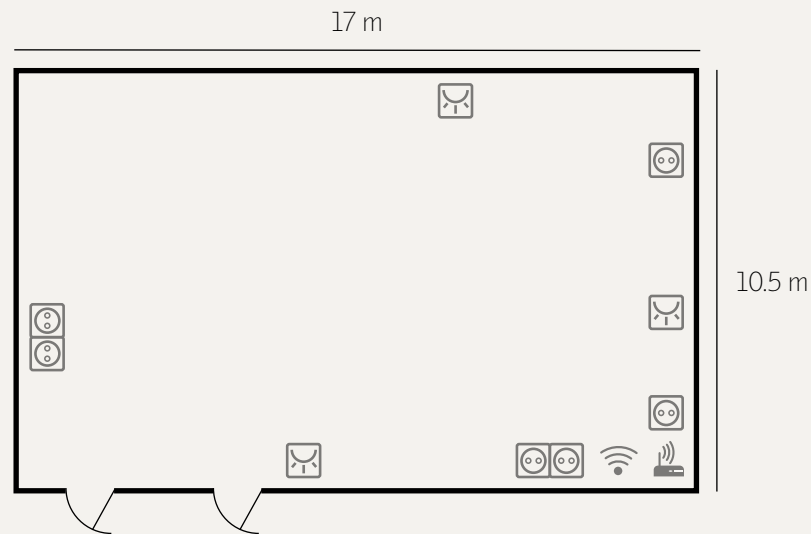

Theatre: 250

Parliamentary: 120

U-shape: 54

Block: 66

Dinner: 175

Our ballroom with elegant mirrors and chandeliers in the style of the Belle Époque is a historic landmark and probably the most magnificent location in Nuremberg.

The motifs of the world-famous operas by Richard Wagner create a special atmosphere that makes this hall the ideal venue for unforgettable events, dinners and conferences.

# 7 GREEN KEY CERTIFICATE

## Green Key

Green Key is a certification program with the purpose of sensitizing employees and guests to environmental and sustainability aspects in their immediate surroundings with the perspective of an active action.

The aim of the program is to develop and manage an eco-label for environmental and sustainability aspects in hotels, holiday/leisure parks and conference centres.

**Green Key**

## Key Facts

- We are Green Key certified and part of the Bavarian Environmental and Climate Pact.
- We are guided by the BMUV's guidelines for sustainable events
- We do not use frozen products and only offer vegetarian and vegan dishes.
- We source ingredients regionally and seasonally.
- We use collection containers for tea, sugar, sweetener, etc.
- We provide you with paper, pens and the moderator case equipment made from sustainable materials and product lines
- We are audited annually by an external institution for our sustainability.
