VINCCI CARE

VINCCI HOTELES TAKES CARE OF YOU

Vincci Hoteles presents **VINCCI CARE**, a hallmark of outstanding quality that operates under a single message: "Vincci Hoteles takes care of you", which sums up the hotel chain's commitment to offering trust through the care and well-being of its guests and staff, respecting to the utmost degree the type of stay that each guest wishes to have.

VINCCI CARE encompasses all the measures that the hotel chain had already developed and implemented from the beginning relating to hygiene, sustainability, social commitment, technology and guest well-being; and all those that are now being implemented to respond to the current situation, with the aim of providing maximum trustworthiness.

We are working on an internal action plan for the entire chain, which strengthens the high standards of hygiene and quality that we already had in place. A plan in which standards are raised even further by creating demanding protocols that enable guests and employees to be cared for, meeting the new challenges in these areas.

VINCCI HOTELES CUIDA DE TI

Vincci Hoteles presenta **VINCCI CARE**, un sello de calidad diferencial que actúa bajo un único mensaje: "Vincci Hoteles cuida de ti", y que condensa la apuesta de la cadena por ofrecer confianza a través del cuidado y bienestar de sus huéspedes y empleados, respetando al máximo el tipo de estancia que cada uno de ellos desee tener.

VINCCI CARE engloba todas aquellas medidas que la cadena hotelera tiene implantada desde sus inicios; relativas a la higiene, sostenibilidad, compromiso social, tecnología y bienestar del huésped; y todas aquellas otras que ahora se implantan para dar respuesta a la situación actual con el objetivo de proporcionar la máxima confianza.

Trabajamos en un plan de actuación interno para toda la cadena, que refuerza los altos estándares de higiene y calidad con los que ya contabamos. Un plan en el que los estándares se elevan aún más creando protocolos exigentes que permitan cuidar a sus huéspedes y empleados, que cumple con los nuevos desafíos en estas materias.
