

The Penthouses at Hotel Arts Barcelona

HOTEL ARTS BARCELONA

The Penthouses reflect the purest philosophy of service and innovation. Their unique and exclusive location, on the top ten floors of the hotel, means they boast spectacular panoramic views, along with stunning interior decor and the attention of a team of Butlers who provide personalised service for guests.

The exceptional beauty of the 28 luxurious penthouses that crown the building comes from the stunning architecture of Bruce Graham and the warm and elegant interior decor designed by Antoni Puig and José Juanpere, and created by Jaume Tresserra. All the penthouses have a spacious living room, dining area and kitchen, bedroom, dressing room, large marble bathroom and latest in technology.
