

# A.ROMA CONGRESS CENTER

Ultimate venue for congresses, corporate events, exhibitions and meetings with modular, flexible and versatile spaces, to suit any requirement.

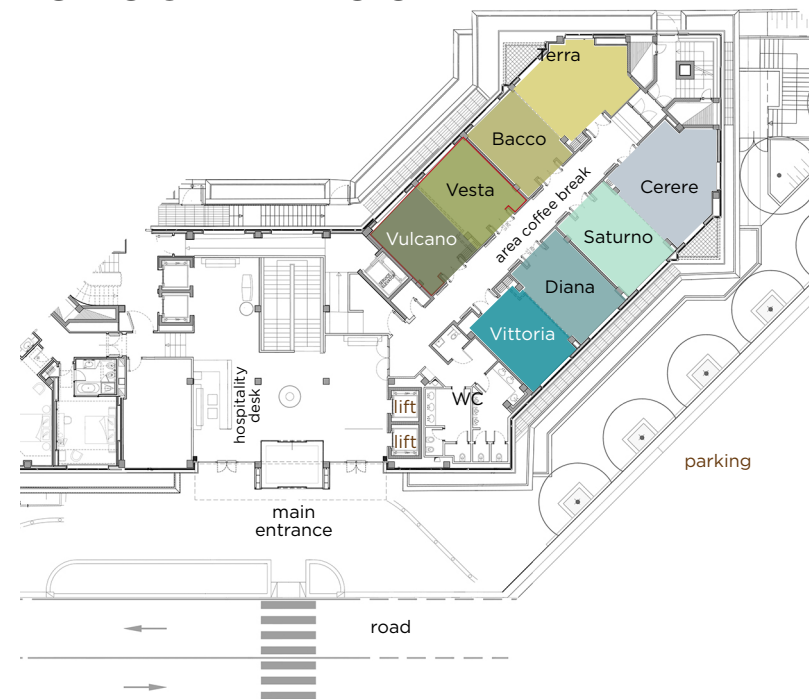

It includes 19 meeting rooms, two of which are plenary and 14 breakout rooms with modular spaces and state-of-the-art equipment.

The Giove room, with natural light, can host up to 560 people and has the largest LED wall in Italy, 12 metres by 4 metres.

The Giunone hall also has a 5 by 2.8 metres ledwall, while the breakout rooms feature a Full HD monitor.

Each room can be set up according to the guests' wishes and the common areas of the conference centre can be customised through the use of different wall monitors.
