WHAT OUR CLIENTS ARE SAYING ABOUT US

Event organiser, Procurement Professional, October 2016

"We loved this hotel. The restaurant layout and food is very good. It's convenient for anyone coming into Heathrow, the coffee area outside the room works extremely well, the room itself is more spacious and quieter being at the bottom of the corridor"

Social Dinner Event organiser, Educational Institute, September 2016

"I would just like to say on behalf of myself first. I couldn't have been happier in booking with the Hilton London Paddington, your service advice and attention to detail was second to none. You was always on the other end of the phone or email and if you wasn't you returned my call straight away. You made changes at short notice even though your poor staff had to decorate the tables again in another hall, yes nothing was too much.

On behalf of our guests I have had numerous calls and emails to say what a wonderful service we had from your kitchen waiting staff and the manager who briefed me on the whole evening and asked me was this how we wanted it to go and any suggestions.

The Food: Well again Hilton pulled out all the stops and again the guests commented how lovely all three courses were. They also mentioned that they had never been to a function of a large size and the food was hot and not thrown together so big Compliments to the Chef and his staff.

Thank you very much again from me you have been a STAR and the Hilton should be lucky to have y

Learning and Development Manager, Utility Services, July 2016

"I just wanted to send a quick email to your events team to say a very big thank you for all of your help yesterday during our event. The assistance your team provided was exemplary throughout and all of the team here at CFMS are most grateful. Furthermore the room itself looked fantastic and was set up exactly to our requirements, the food and refreshments were excellent and every member of your staff was willing to help. We are most pleased with the service you provided."

Event organiser, international pharmaceutical, June 2016

"The hotel staff have been superb, and everything has run very smoothly with the meeting.

Please extend my special thanks to Salesh and Abraham and the other lady (I forget her name, but she has been helping the whole time) also the lady taking care of breakfast provided a great service.

I have enjoyed the meeting and felt taken care of by the staff, and we have a happy client.

Looking forward to working with you again in the future."

Global medical company, June 2016

"I wanted to say thank you for the wonderful, seamless program that we had over the last couple of days. Your staff once again was "on" for anything and everything!"

Mining Company Conference, May 2016

"I just wanted to drop you a note of thanks for the outstanding service you and your team provided to us in Sept 2014. The staff did an excellent job and were always ready to help us with every need. Particularly Suranga, the manager who was assigned to help us on the Sunday night and Tuesday night activities at the hotel. Suranga was very patient, helpful and delightful to work with. Please extend our thanks and accolades for a job very well done.

All the staff throughout the hotel were very courteous and helpful. Another individual who was always very helpful and friendly was Prasanna at the Concierge desk. He found many ways to help us and make our stay and logistics comfortable.

Thanks also to you for arranging such comfortable accommodation for me and my family. We greatly appreciated all the hospitality. The Paddington Hilton was our "home away from home" when we moved to London in 2011 and when we moved away from London in 2013. It continues to be a place that is part of our very fond memories of London. "
