*The Palace Suite (St. James and Buckingham) and Kensington Suite (Victoria and Albert) can both be split into two separate event spaces.

†The St. James and Buckingham Suites both allow a car to be displayed via the loading bay, but when joined together as the Palace Suite a truck can be displayed.

TECHNOLOGY

The hotel has invested in a flexible high speed data network with numerous data points in all of our meeting rooms, capable of running any combination of high speed internet, telephone or ISDN services to suit any technical requirement. Wireless internet is available throughout the whole hotel and HD video conferencing facilities can be provided on request.
