# Gastronomy and dining services

Two different offers, both healthy and delicious:

## Oxygen

Healthy buffet. Especially created to have yourself relaxed with an infusion or activated with a revitalizing milk shake. This is a very special place if you wish to enjoy either a light menu or an energetic dish that will keep you full of energy until the end of the day.

## Hydrogen

Gastronomic laboratory. À la carte restaurant, innovative gastronomy recipes that will take you to a world full of flavours, textures and colours. Great variety of wines.
