THE KING'S NEIGHBOURHOOD

The Hotel is located harbourside of Stockholm's Old Town — and almost next to the Royal Castle. You might not see the King strolling by, but you'll have the best starting point for exploring the city.

RESTAURANT REISS

On May 18th 1898, our restaurant served Smörgårsbord, salmon with mayonnaise, chicken with asparagus and Glace au Caramel. Today we follow the tradition and serve classic Swedish dishes with a modern touch.

SALÔN BRAHE

The adjacent facility to our Conference room, features interiors from the steamship S/S Per Brahe, which was in service between Stockholm and Åbo in the 1950s
