RESORT AND SPA

luxury is personal

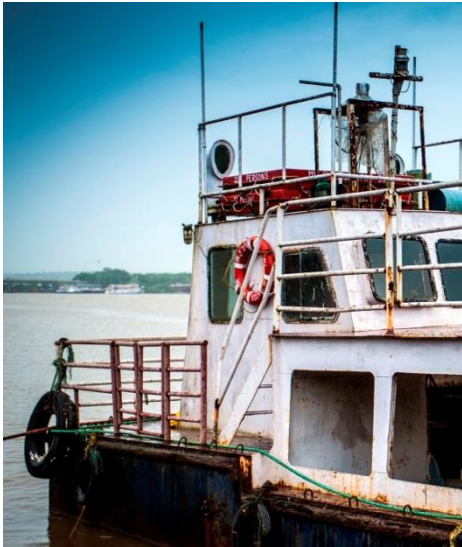

“the spirit of tradition,
the zephyr of the sea,
Goa will always be paradise to me..”

- John Keats

AROSSIM BEACH

Tucked along the expansive Arabian Sea is picturesque Goa, the smallest state in India and a former Portuguese colony. Its palm-fringed balmy beaches, sultry weather and the cheerful disposition of its people has it nicknamed India's "Sunshine State".

For the history enthusiast, there is Goa's architectural splendour in its churches and chapels, grand old homes and forts. For the gourmand, the melting pot of Portuguese and Indian influences has given rise to the eclectic Goan cuisine. Goa is home to some of the finest spice plantations and sanctuaries in India, giving the eco-tourist plenty of reason to visit. And for those who like to sit back, relax and take in a whiff of paradise, its pristine sands never disappoint.
