Le Fief des Epoisses

“ The medieval pigeon loft,
redesigned as a comfortable
relaxation area. ”

Set amid the great plateaux of the Seine-et-Marne, 45 minutes from Paris, the Fief des Epoisses, with its moat and walls, reminds you of how important it was in the middle ages to protect your crops. Dating back to 1285, this fortified farm now has all modern amenities for a successful seminar. In a mineral and medieval environment, your teams will be transported to another time, where they can enjoy a drink in the pigeon loft or take a dip in the pool under the sky-like glass conservatory.

When modernity meets history, and high-tech nestles at the heart of age-old stones... We are delighted to invite you to come and enjoy the peace and quiet in our new medieval house, ideal for your smaller, more intimate seminars. To keep in the tradition of this historic location, Vincent and his team use artisan techniques to produce enjoyable dishes throughout the year.
