## Le Chalet de Champéry

“ lunch or tea at Les Marmottes ”

Located at the heart of an authentic Swiss alpine village, the Chalet de Champéry with its typical all-wood architecture provides a welcoming setting for seminars that give participants a taste of the great outdoors. Whether your seminar takes place in winter surrounded by snow at the foot of the Portes du Soleil's 650 km of ski slopes or in summer surrounded by greenery, a multitude of mountain activities are available to build team spirit. The theme of the house is 'mountaineering tools'.
