We have 4 lounges measuring 48m²; they are comfortable, peaceful and welcoming, and get any smaller meeting or business appointment off to a good start. We also offer two modular rooms (144m² and 166m²) that can accommodate up to 166 participants at events on a larger scale. They are fully equipped with sound system, screens, paperboards, video projector and free broadband Wi-Fi. Just imagine the event of your dreams and we will make it come true. Anything is possible!

Packages

Book one of our seminar rooms for your event - for the morning, the afternoon or the entire day – and benefit from 4-star facilities, equipment and catering.

Our meeting rooms are equipped with screens, video projector and paperboards. We also provide notepads, pens and mineral water. Additionally, our packages include broadband Internet plus morning and afternoon refreshments.

Door's Restaurant will satisfy the most demanding gourmets at lunchtime. Select the format that is right for your participants: a 3-course sit-down meal, a cocktail reception, or for bigger gatherings (30 or more people) a seated buffet or a finger buffet.

You can also factor in a range of options to ensure that your workshop lives up to your expectations: welcome coffee (included in the full-day package), themed refreshment break, set-price wine option, champagne reception, soft drinks. Whatever you need, we will provide.

Catering for Groups

The chef and staff at Door's offer far more than a simple catering service: they serve excellence on a plate! Take time during your workshop to enjoy a midday snack, a seated meal or a stand-up finger buffet featuring full-flavoured, sophisticated cuisine.

Buffet

A seated meal that will impress even the most discerning palate! Diversity is the key to an impressive array of varied dishes à la française.

Refreshment Break

Reserve some time out with your colleagues during your morning and afternoon sessions. Enjoy a break with some freshly prepared pastries plus savoury and sweet treats selected by our chef.

Finger Buffet

A stand-up finger buffet is always a lively affair. It's ideal for chatting and mingling whilst savouring delicious salads, verrines and sandwiches.

Sit-Down Meal

For a social occasion that also tickles the taste buds we suggest a delicious sit-down menu carefully compiled by our chef. Three plated courses give pride of place to the produce and traditions of French cuisine.

Cocktail Reception

Forget about formal, try our formula! Choose 20 sweet or savoury pieces (or a combination)... or place your trust in our chef and enjoy the surprise! This formula fuels a friendly atmosphere where everyone feels at ease.
