“We returned from the ESOU19 Meeting in Prague last week and just wanted to let you know that we have nothing but compliments for everyone at the hotel – they helped to make the meeting a great success!  
The standard of the organisation, food and hospitality was second to none and we will certainly recommend the hotel to our colleagues – it is an exceptional venue”!

As a company, LabWare looks for flexibility during a conference as things can change in an instance, when we held our last conference at the Hilton Prague the staff were amazing and helped us look after our 500 delegates.

The conference centre is perfect, as the Hilton Prague has so many breakout rooms, which is what our training team requires.

Hilton Prague is also central so when our delegates have a free evening, they can easily go into Prague Old Town or out for a meal.

The refurbishment looks good.

Hilton Prague offers a wealth of well-maintained and designed meeting space to suite a large range of meetings and events. The hotel is suited to all group sizes and allows the possibility for all your delegates to sleep under one roof. Above all else, the staff are always so friendly and make it a real pleasure to come back – thank you Hilton Prague 😊!
