ROOMS

ELEGANT PLACES TO BOTH UNWIND AND WORK

Each room and suite is an ode to French elegance and local luxury; a private Parisian apartment by the sea in Barcelona. Views feature green gardens, cityscapes or the swimming pool leading down to the beach and the scintillating horizon beyond. Some rooms enjoy balconies facing out toward Mediterranean waters. Splashes of azur in the décor bring the seascape into those that don't.

THE MAGIC IS IN THE DETAILS

The works of art that decorate the halls of the hotel invite themselves into each room. Wooden flooring recalls sophisticated French salons. Dark wood furnishings, large beveled mirrors and checkered tiles in the bathroom lend a deliciously retro feel, combining French sophistication with playful Barcelona spirit and taking guests back to a glamorous age when travel was the ultimate luxury.
