

A GUEST  
OF THE FAMILY

ROCCO FORTE HOTELS

Ami<sup>ni</sup>  
Forte

In much more than name,  
Rocco Forte Hotels is the Forte family.  
At its head are Sir Rocco, his sister  
Olga and his three children. Behind it are  
four generations of Forte hoteliers.  
It is in every way a family business; a shared  
love evident in every Rocco Forte hotel –  
each exuding the Forte's innate Anglo-Italian  
style, sophistication and warmth.  
And each welcoming you as a guest  
of the family.

HOTEL DE RUSSIE  
ROME

As a guest at Rome's Hotel de Russie, you will see the Forte philosophy brought to life. Their instinct for choosing an unparalleled address, stood between Piazza del Popolo and the Spanish Steps. One that is iconic in its own right, its blush render, tiered terraces and sprawling Secret Garden deemed paradise on Earth by Jean Cocteau; known today as home to Rome's liveliest aperitivo hour. Their talent for taking an illustrious, established site and making it modern: Roman sculptures and prints, dashes of colour and Italianate mosaics gilding a light, elegant and understated space.

This you will see, but some things must be felt. The sincere, attentive interest and understanding of its team. The inviting sense of openness and ease. Total tranquillity and privacy against the backdrop of the buzzing Eternal City. And the cinematic, dolce vita air that fills Rome infusing the hotel.

Hotel de Russie was designed in the early 1800s by architect Giuseppe Valadier, who also developed Piazza del Popolo, which the hotel overlooks

Jean Cocteau and Pablo Picasso stayed at Hotel de Russie, in adjoining rooms, while preparing to stage the first ever Cubist ballet in 1917

HOTEL SAVOY  
FLORENCE

Face-to-face with the Column of Abundance, the city's literal centre point, Hotel Savoy takes pride of place on Florence's Piazza della Repubblica – and in the Rocco Forte family. This prime location suffuses the hotel. Ever-present views of the Duomo or piazza. Exciting Tuscan cuisine; cocktails infused with homegrown flavours. Experiences spanning Renaissance art, truffle tastings and traditional craftsmanship. A design that showcases Renaissance-era antiques, local art and high Italian fashion.

The Savoy has status; its attraction to Florentine locals and visitors has remained unchanged for centuries. But its enduring appeal – exemplary of the Rocco Forte ethos – is in merging its legacy with modern luxury. Olga Polizzi's interiors, which add comfort, modernity and refreshing bursts of whimsy to the classic space. Service that updates old-world discretion with passion and personality. A contemporary entrée into a city steeped in history.

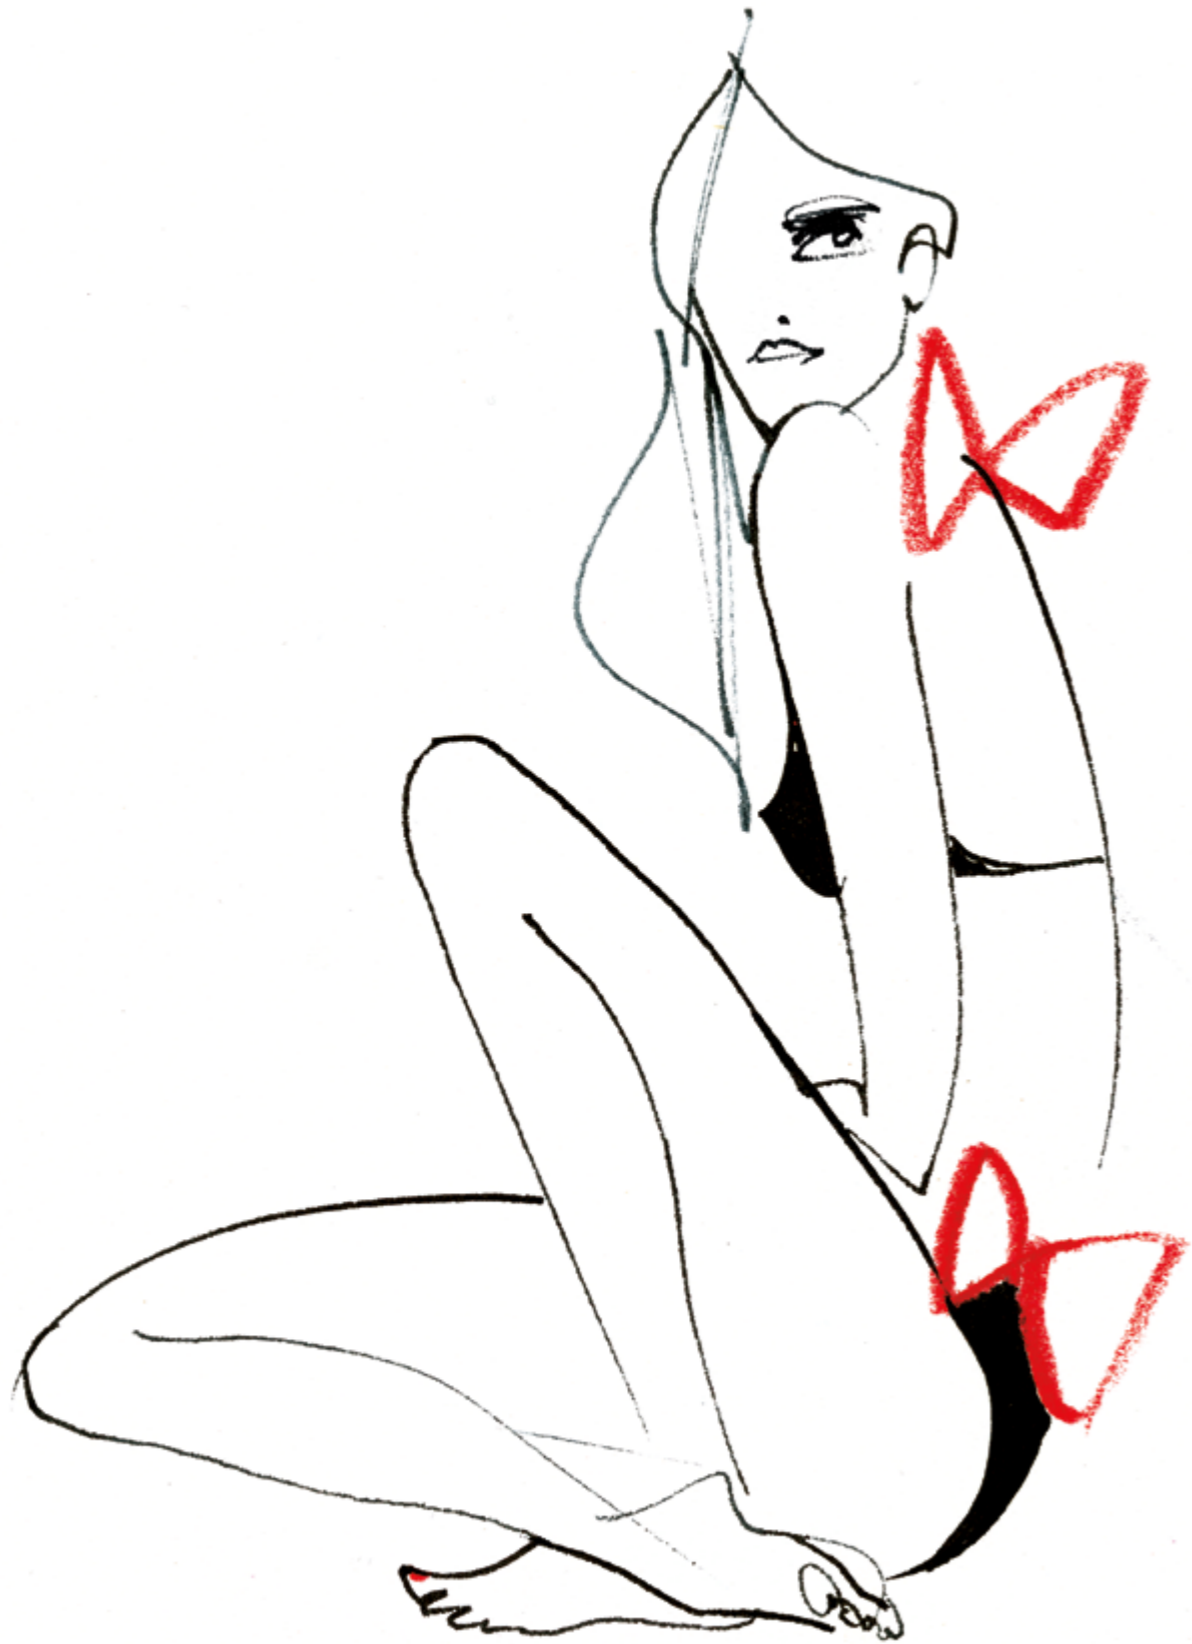

Built in 1893 on the former site of the Mercato Vecchio and church of San Tommaso, Hotel Savoy's centrality and conviviality quickly made it the city's top hotel

Playful artworks and design touches throughout the Savoy are inspired by the Florentine tradition of fine fashion and craftsmanship

VERDURA RESORT  
SICILY

Verdura – a paradisiacal expanse on Sicily’s stunning south-west coast – is the Fortes’ flagship resort. 230 hectares of sun-blushed Mediterranean coastline, countryside and hotel: space for the Forte ethos to luxuriate and shine. Insightful, impassioned service quietly caters to every desire. Sleek, environmentally sensitive architecture fuses with Latin terracottas, ochres and violets. Local charm with universal style. Italianate furnishings, handcrafted tiles, breeze-brushed white muslins and, always, a sea view.

Verdura is an oasis; its vast scale and escapist atmosphere afford endless indulgence and choice. Choice to unfurl in its capacious spa, or lap its infinity pool. To play tennis amongst its orange groves. A round or two of Championship golf. To master Sicilian cooking, or simply savour it, in one of nine dining spots. To explore Verdura’s 12th-century tower, helicopter across Etna, or stroll along its private beach. It’s your decision, at the Fortes’ invitation.

Verdura's coastline sits just west of the charming Baroque village of Sciacca; fish comes fresh from the local market, oil from Verdura's own gardens

Health, wellbeing and world-class golf are at the heart of Verdura Resort, with two 18-hole Kyle Philips courses, holistic wellness programmes and a 4,000m<sup>2</sup> spa

Rooms, suites and villas seamlessly merge indoor and outdoor living, designed by architect Flavio Albanese to capitalise on their sublime setting

THE BALMORAL  
EDINBURGH

A symbol of its city and a deeply important property for the Forte family, The Balmoral is a love letter to Scotland, clearly written in the Rocco Forte hand. A welcome in Balmoral tartan; Hebridean blues, subtle heather hues and classic Scottish art; whisky ambassadors with 500 malts. Airy, contemporary design; above-and-beyond service that knows each guest, each journey, is unique; and a welcoming, shoes-off atmosphere despite imposing surrounds – all classic Forte traits.

Beloved by the family, The Balmoral is also iconic to Edinburgh – a genuine landmark in this historic town. Its ever-present clock tower a symbol of the city. Its address – 1 Princes Street, looking up to the castle – Edinburgh's most prestigious. Even its name – 'majestic dwelling' in Gaelic – denotes import. A breathtaking building, at an unparalleled address, helmed by a devoted team: a true Rocco Forte hotel.

Michelin-starred modern Scottish dining at Number One restaurant and afternoon tea at Palm Court – both Edinburgh institutions

The Balmoral's rooms enjoy unrivalled views of Edinburgh icons the Scott Monument and Edinburgh Castle

BROWN'S HOTEL  
LONDON

Brown's: 11 Georgian townhouses transformed into a legendary London hotel and a cornerstone of the Rocco Forte family.

Ushered in from Albemarle Street, you will feel the signature Forte style at once. You will feel it in the open, intuitive service that knows each guest – each need, want and favourite table – personally. You will feel it in Olga Polizzi's visionary aesthetic: an ever-evolving marriage of classic and contemporary, hotel and home, elegance and entertainment.

You will also feel a strong sense of place. Of London. Mayfair – and the city's most celebrated galleries, restaurants, parks and shopping streets. Tradition, cut with a spirited English humour and cosmopolitan twist: playful touches, modern artworks and a fresh, unfussy ease among the wood panels, smart suits and afternoon teas. The glamour and gaiety the iconic address deserves, and the quality and charm the Forte name assures.

Considered *the* London hotel for visiting creatives, everyone from Tolkien, Conrad and Waugh to Welles and Olivier have enjoyed the renowned restaurant and bar at Brown's

The Kipling Suite, right, honours one of the hotel's greatest fans, Rudyard Kipling, who wrote *The Jungle Book* and celebrated his wedding at Brown's

THE CHARLES HOTEL  
MUNICH

Named after Sir Rocco's father, Munich's Charles Hotel is Forte from its title to its spirited international team, who uphold the group ethos of anticipating individual needs, forging genuine rapports and, always, exceeding expectations. Its aesthetic has the Forte imprint: Olga Polizzi's innovative interpretation of the hotel's heritage weaves Bavarian art, stone and ceramics into clean lines, soft creams and greens – bringing the outside in with living trees and botanical designs.

Verdant inside and out, The Charles is a hotel for all seasons, all wants. For summer, the elegant, leafy terrace of Sophia's restaurant. For winter, glühwein and roasted chestnuts. Commodious rooms, a central location and tailored facilities for business and for leisure. For culture, a prime position bordering Munich's museum quarter, Schwabing's artistic hub and Maximilianstraße's chic boutiques. An important cosmopolitan address for Bavaria's capital and the Rocco Forte family.

An animated city-centre hotspot, Sophia's Restaurant & Bar, left, serves imaginative botanical cuisine and cocktails to guests and locals

The Charles Hotel was the first Rocco Forte hotel designed and built by the family. Their Monforte Royal Suite is named after Lord Forte's Italian birthplace

HOTEL DE ROME  
BERLIN

Like Berlin itself, Hotel de Rome embodies the Forte flair for unifying apparent opposites. A grand façade – a 19th-century former bank – which belies a relaxed, intimate atmosphere. Service that is friendly and familiar, but unobtrusive. Design by Tommaso Ziffer and Olga Polizzi that integrates sleek, modern styling into a venerable space. The ease of a private apartment in a luxury hotel.

This happy blend of contrasts creates an elegant outpost in an achingly cool city; a relaxed hideaway in the animated Mitte district. Face-to-face with the State Opera, a stroll from Museum Island, with a rooftop oasis that peacefully observes it all. Inside, a former jewel vault becomes an ethereal spa, a cashier's hall becomes a mosaicked ballroom, and a historic building becomes a serene space in the core of an up-all-night city – the perfect place from which to embrace, explore and escape it.

The former bank's original architecture meets contemporary Berlin design: marble columns, modern art and the jewel vault's subterranean spa

Hotel de Rome takes its name from a renowned inn that once sat on Bebelplatz, the striking square which many rooms and suites overlook

VILLA KENNEDY  
FRANKFURT

Colonnaded Neo-Gothic architecture, extensive landscaped gardens and fire-lit rooms: once a stately family home, Frankfurt's Villa Kennedy retains an intimate atmosphere; an opulent, cosy ease. Here you become part of the Forte family, met with exceptional, intuitive care; people proud to show you their city, to make you feel at home.

This comfort is woven into Villa Kennedy's design, where clean, contemporary lines, soft natural tones and elegant metallics lift classic Frankfurt architecture. At ground level, a light-filled spa looks into the garden; above, French balconies survey the city. From here you can slip into leafy Sachsenhausen's lively bars, down to Frankfurt's famed museum embankment or into St Bartholomew's Cathedral, then meander back for an al fresco Italian supper in Villa Kennedy's tranquil grounds – your Forte family home in this dynamic German town.

Original owners the Speyer family held frequent at-home concerts here with friends Richard Strauss and Hugo Becker. It remains a favourite destination amongst Frankfurt locals

Villa Kennedy's address, Kennedyallee, was renamed as a tribute to JFK's 1963 visit; photography throughout the hotel honours the former president

HOTEL AMIGO  
BRUSSELS

The illustrious Hotel Amigo has all the hallmarks of a Rocco Forte hotel. Its team exhibit their signature service: insightful, invested and tailor-made, whether entertaining a family in the Tintin Suite or catering to royalty on the Armand Blaton Suite's rooftop terrace. Its interior design shows the characteristic blend of Olga Polizzi's modish, modern sensibility and an homage to the hotel's home. An important art collection reflects the city's thriving creative scene. Flemish furnishings, tapestries and chocolates honour its address.

For, as much as it is archetypally Rocco Forte, Amigo is Brussels through and through. Part of the city's fabric for 500 years, it presides over Brussels's charming cultural centre by the Grand Place. Windows look up to the Hôtel de Ville's spire, medieval cobbled streets below wind their way to the Mont des Arts or Le Sablon's antiques, and locals wind their way here to take a seat at the hotel's much-loved restaurant – testament to its place as a pillar of its town.

Converted to a grand hotel for the 1958 Brussels World's Fair, the Amigo's lobby lounge remains a prime meeting place for its sociable air and central spot

First owned by the Blaton family, the hotel merges artwork from their private collection with Magritte prints and other eminent Flemish art

HOTEL ASTORIA  
ST PETERSBURG

Hotel Astoria is an emblem of its city. On arrival, you find yourself in the city's beating heart, in the midst of St Petersburg icons: the majestic St Isaac's Cathedral, Opera House, Hermitage and Mariinsky II. You find a storied past – the Astoria has seen every major Russian event of the last century. And you find a building of note, a true Russian great.

These qualities captured the Fortes' hearts; their imprint on it will win yours. The characteristic welcome; personalised, thoughtful care. Olga Polizzi's interiors: a joyful mix of modernity, original features and the comforts of home. A nod to the building's past and postcode: uplifting the grand, Art Nouveau building with bold jewel tones; monochrome nudes and James Bond stills nestling Tsarist-era antiques. A touch of drama equally fit for afternoon tea, a hammam or a cold vodka raised in honour of the many eminent guests to do so before.

Beloved for its inventive Russian restaurant, 24-hour bar and exquisite afternoon tearoom, the Astoria has played host to everyone from Rasputin, Lenin and Bulgakov to The Doors, The Rolling Stones and Pavarotti

In the 1930s, the Astoria became a sanctuary for writers, artists and musicians; the same parquet flooring still runs through its 83 rooms and 86 suites

ASSILA HOTEL  
JEDDAH

The combined creation of two families – the Fortes and the Al Issas – Assila Hotel is the marriage of European and Arabian sensibilities; a truly worldly luxury hotel. Its palate spans the finest Arabic, Italian and Argentinian cuisine. Its design adjoins cooling, contemporary Middle Eastern architecture with a warm, light-hearted European touch. And its hospitality invokes both cultures: the genuine care to gratify every guest, and a level of expertise that lets you know this is a Rocco Forte hotel.

You know, too, that this is Jeddah. You know it as you enter: the subtle scent of oud in the air; an Arabic welcome of coffee and dates. As you enjoy the vast collection of Saudi art; the splashes of rich, local earth tones, hand-woven rugs and filigreed screens. And you know it when you take to the rooftop to look across the shimmering pool, over the city, and out to the Red Sea.

From Argentinian grill Pampas and poolside rooftop restaurant Aubergine to a specialist chocolaterie and 24-hour café, Assila's cuisine is varied, but invariably exciting

More than 2000 pieces of Saudi Arabian art, curated by Nora Alissa and Susanne Jäger-Breitenbach, are set against Martin Brudnizki and Olga Polizzi's vibrant European-meets-Arabic aesthetic
