Hotel's wellness and spa center, conference rooms, gastronomy, and spectacular terraces with breathtaking sea views make it the first choice for a memorable, luxurious stay.

Additionally, the hotel features two outdoor swimming pools, direct access to the beach, an indoor pool, fitness club, tennis and a PADI diving center, as well as a leafy jogging path and scenic walking routes in the woods just behind the hotel.

DUBROVNIK

The golden walled city of Dubrovnik is one of the most celebrated beauty spots of the Mediterranean. It is a harmonious showcase of art and civil, religious and military architecture from the Renaissance and Baroque periods. Ragusa was one of the great trading powers of the eastern Mediterranean from the Renaissance to the Napoleonic era. Side-lined from history after that, it was spared ugly industrial development and survived intact, a beautiful city proud of its history and culture.
