A fairy-tale wedding in the heart of Florence

What better place to spend the most important day of your life than Florence, the backdrop for the most romantic and passionate love stories of all times?

So why not make the Relais Santa Croce, a beautiful 18th century Palazzo a short hop from the Santa Croce Basilica and Palazzo Vecchio, **your home for the day**? Distinctive settings, original frescoes and an attentive, personalised service will make your special day truly unique.

Whether you prefer a menu based on meat or fish, our chef can satisfy the most discerning palate with creative, traditional cuisine and spectacular wedding cakes.

Relais Santa Croce offers a range of individual services on request to make every moment of your wedding celebrations magical: a wedding coordinator, elegant flower arrangements, musical entertainment, photography and video services, a private wine tasting and a chauffeur-driven car for the bride and groom, for example.

And for the wedding night, the most beautiful Relais Santa Croce suites with spectacular views over the city will provide the most memorable and romantic end to your perfect day as you are pampered by our attentive staff.

Unforgettable events

For private events and special occasions to celebrate with family and friends, the Relais Santa Croce can be adapted to suit your requirements, and has all the charm of a noble 18th century Palazzo.

With its stunning 360° frescoes and a convivial fire in an antique fireplace, the **Sala della Musica** comfortably accommodates up to 80 guests for lunch or a sit-down dinner, or up to 150 for a buffet cocktail party. For those who prefer a private family gathering, the room can include an elegant imperial dining table with settings for 30, or opt for the intimacy of the **Guelfi & Ghibellini restaurant**.
