ALMDORF WELLNESS LANDSCAPE

Relax and regenerate in a charming and rustic ambience!

The wellness area in Hotel Zur Dorfschmiede is something very special: here you can experience the harmonious trio of wellness, romance and alpine comfort.

The spa at Dorfschmiede is designed as a small, charming alpine village, hence the name "Almdorf": a rustic hut, a small chapel, (painted) mountains and alpine meadows - and in between our romantic pool and a sauna landscape with 3 different saunas. It is as if the breathtaking beauty of the surroundings simply continues seamlessly in our wellness area. And we have also thought of our young guests: in the Mickey Mouse paddling pool, children can splash to their hearts' content - a family holiday that's fun for everyone!

WELLNESS

CULINARY TREATS AT DORFSCHMIEDE

A variety of fine food and drinks is given the highest priority at Dorfschmiede. You have the choice between the hotel's gourmet board, hearty á-la-carte cuisine in the Fuhrmannsstube and culinary treats of award-winning standard in our Gute Stube/Kirchenstube restaurant.

Exquisite wines from around the world are stored in our excellently stocked wine cellar and will turn your flavourful experience at Dorfschmiede into a culinary highlight for all the senses.

KIRCHENSTUBE & GUTE STUBE

On the second floor of Hotel Zur Dorfschmiede, in the Kirchenstube & Gute Stube, the finest, award-winning delicacies are the order of the day. In the stylish and elegant ambience of both restaurants you can relax and enjoy delicious dishes. Gourmets and connoisseurs will be delighted with the Gault Millau award-winning cuisine and can savour the sophisticated and creative á-la-carte dishes and delicacies served here.

ROAD KING HARLEY PUB, aka HARLEY BAR

A key component of our establishment and also of Hinterglemm's nightlife is our Harley Bar. Founded over 20 years ago, it is the home of the annual "Biker Mania" Harley meeting and is still a popular meeting place for bikers and those seeking out for fun.

FUHRMANNSTUBE

Traditional, very comfortable and pleasant. The cosy ambience and the relaxed atmosphere are what makes our restaurant so popular. The Fuhrmannsstube is decorated with pieces found at an old forge (in German: Schmiede) and lends its name to our Hotel Zur Dorfschmiede.

FOR HUNTING ENTHUSIASTS

Our hunting grounds stretch over 3,000 hectares and are located in the Hohe Tauern mountain range. Here with us, experience unspoilt nature and the most beautiful places in the national park and gain unforgettable experiences while hunting in a magnificent, high alpine hunting area. Our junior manager, Heribert Wolf, a hunting enthusiast himself, will be pleased to offer advice.

100% respect and the considerate handling and use of the game is an essential component of real hunting. Everything that is shot, is used in its entirety.

RÄUCHERSTUB'N SMOKER

The fresh meat from our hunting is cooked directly in our kitchens and is on the menu at Dorfschmiede or is processed into cured venison bacon or salami in our very own smoker and curing room, with the help of Heribert Wolf's own smoker aromas and herbal mixtures.

The bones are used to cook delicious stocks and sauces, which are used to refine our culinary delicacies in the hotel.

WOLF'S HUT

TRADITIONAL & CHARMING

Our rustic Wolf's hut lies amidst the fantastic ski and hiking circus, Saalbach-Hinterglemm-Leogang-Fieberbrunn and is easy to reach on foot all year round. The Reiterkogelbahn lift takes you to the middle station and, from here, it is about 1 hour's hike to the hut. Located directly on the piste, it is also easy to reach on skis.

The Wolf's hut is popular for celebrations as well as business meetings. Delicious, regional meals satisfy your culinary wishes. There is room for up to 25 people and for an additional 30 people on the romantic terrace with panoramic views over the Glemm valley. For company excursions and events with an alpine framework, it is a real insider tip.
