The 18-hole golf course you will find at Telford Hotel and Golf Resort is all about strategy, with just enough distance and water hazards to challenge a seasoned player, and the scenery to make it your new favourite.

Overlooking the Severn Valley and Ironbridge Gorge, the views don't get more spectacular than this. The tree-lined fairways and greens have been thoughtfully designed after the home of the US Masters course, Augusta, so that they are on a suspended water table system. Features like these make us a premier golf destination in Shropshire.

**A Dedicated Team of Professionals** on-hand,  
throughout the Resort!!
