

# MICE IN ASTANA

## HILTON ASTANA PRESENTATION

Astana is a modern city with a favourable environment attractive for tourists and comfortable for residents and guests of the Kazakh capital to live in. Astana became the capital of new Kazakhstan in 1998 for a variety of reasons. The choice was made in favour of Astana due to a number of decided advantages: vast urban area, favourable geographical location - close to the country's main economic centres, significant demographic potential, well-developed transport infrastructure and the relatively favourable environment.

## THE CAPITAL CITY

Today Astana is not only a country's major administrative centre, located at the intersection of major development networks of the country. It is the city-leader, setting the pace in the innovative development of Kazakhstan. The city, which acts as a locomotive of the reforms in Kazakhstan of the new millennium is also a tourist attraction in the steppes.

# ASTANA TODAY

- ❖ Astana is located at the historic heart of the Silk Road;
- ❖ Was a host of World EXPO 2017 with participants from over 100 countries;
