INVERNESS

## good to know

The usual isn't for you. We understand. Wherever you go, you want to be there, and not just skating on the surface. Which makes pentahotel Inverness the perfect place from which to sample the beautiful otherness of the Scottish Highlands. Like the local VIP and star visitor attraction Nessie, it's very rare that you'll witness true friendliness, helpfulness from the staff and a genuinely cool design in your hotel, but that's only if you don't know penta. A 90-room concept over five floors, pentahotel may only be a minute's walk away from Inverness railway station but it's far, far away from what you've experienced elsewhere. Come see.

## sssh, here's the penta secret...

Your penta staff are not like other hotel staff. We stick to a fairly simple plan in Inverness - and everywhere else. We ask what kind of hotel we would like to check into, then we create exactly that. Not your usual, we are relaxed and friendly from the heart. (Want to know a true insider business secret? Simple plans work really, really well.)

## eat, drink and be penta

Shoot to chill in the pentalounge. It's the heart of the hotel: billiard table, latest game console, 24-hour bar and the best steak n' burger and cocktail combos in town. Was there something else? Oh yes, the tunes. It's all good.
