THE EXPERIENCE DESIGN HOTEL

## Location: La Caleta

*The last fishermen's village in Costa Adeje, Tenerife*

An aerial photograph of La Caleta, a coastal village in Costa Adeje, Tenerife, Spain. The scene is captured during sunset, with a dramatic sky filled with soft, golden light breaking through scattered clouds. The ocean is visible in the middle ground, with gentle waves lapping at the shore. In the foreground, the village's buildings are illuminated by warm, yellow lights, creating a cozy and inviting atmosphere. The architecture features white walls and terracotta roofs, typical of the region. The overall composition is a harmonious blend of natural beauty and human habitation.
