NISSA LA BELLA

Admire the breathtaking view of the coast of Nice and the water of the Bay of Angels which changes color according to the weather and the day, can reach a turquoise with exceptional nuances. Walking along the famous Promenade des Anglais, always impeccably flowered, with on a side "La Grande Bleue" – the Mediterranean Sea - and on the other side the Belle Epoque luxurious architecture.

Get lost in the maze of typical alleys of the Vieux Nice and on its Cours Saleya, famous for its flower markets, small shops, restaurants and bars. The facades of the buildings immerse you in a caliente atmosphere all year round thanks to the gradations of warm colors. The charm operates and "Nissa la Bella" already stamps your memories.

This exceptional light and quality of life in this little corner of the French Riviera will captivate you like Picasso, Matisse or even Renoir before you.

Nice is moving, Nice is shining, Nice promises you a great experience and the discovery of an art of living all its own.

WELCOME TO GRASSE, THE WORLD CAPITAL OF PERFUME

The scents of flowers tickle the nostrils while the gardens delight the eyes. Imagine fields of roses, jasmine, or violets as far as the eye can see. Now close your eyes... and breathe! Located between the Alps and the Mediterranean sea, the city of Grasse is defined as the world capital of perfume since nearly three centuries. Its surrounding hills descending towards the sea are draped in fields of flowers offering the most delicate fragrances.

We then witness an explosion of aromas that we find in the many perfumes and floral waters. Small narrow roads will lead you to the historic center. *Fragonard, Galimard, Molinard*, ... the hardest part will be choosing your fragrance !
