

Reintroducing THE COMMONWEALTH

GET ACQUAINTED

You may think you know The Commonwealth, as it has been a landmark hotel in Richmond for over 100 years. And much of what we have been known for—excellent service, spacious suites, and a location that can't be beat—remains. But we have totally reinvented ourselves, and now offer a uniquely Richmond experience. From the tattooed entrance doors on our suites (did you know that RVA is the 3rd most tattooed city in America?), to furniture and art hand crafted from some of the area's most talented artisans, to java from Richmond's own Black Hand Coffee Company, The Commonwealth will surprise and delight you at every turn.

We are proud to be a part of Preferred Hotels & Resorts' Connect Collection. For 50 years, PH&R has curated the best of the best independent hotel experiences. Members of iPrefer Hotel Rewards earn points for every eligible stay and qualify for member only rates.

THE COMMONWEALTH

GET COMFORTABLE

Whether your stay brings you to Richmond overnight or for an extended stay, we have the perfect accommodation. Our Cozy Studios are the size of an extra-large hotel room, and our Roomy and Homey Suites are two room suites with separate living room and bedroom. Members of iPrefer Hotel Rewards receive free internet, priority early check-in and late check-out, and room upgrades upon availability.

GET STUFFED

Rueger's, our restaurant and bar, pays homage to the original eatery that opened on this site in 1846. Specializing in Southern comfort food with a healthy and modern twist, everyone will find something on our menu that hits the spot. We are open for breakfast, lunch and dinner, and in our quest to give our guests a unique, local experience, brew coffee roasted at Richmond's own Black Hand Coffee Company, and serve some of RVA's best local craft beers.

GET INSPIRED

Our boutique property features original art throughout, such as the mural "Lucia", pictured here. Combine that with bespoke furnishings and inspired design, and you will see why the hotel has been called a "visual love letter" to the city of Richmond. Our staff can't wait to share it with you and ensure that your stay is comfortable and productive.
