A PLACE FOR ULTIMATE RELAXATION

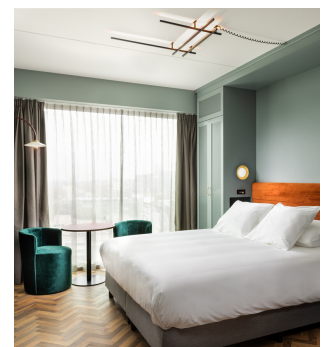

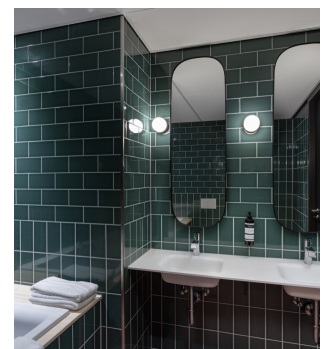

All 309 of our modern rooms offer the perfect base during your stay in the bustling city of Amsterdam.

Enjoy breathtaking city views from your bed, through the large glass walls of your room, take a look at the Olympic Stadium, the surrounding sports fields, the lake Nieuwe Diep and so much more.

All six room types are designed and decorated with a significant amount of care and attention to detail.

Although the decorative features of the interiors will remind you of the sports activities in the area, our rooms are first and foremost, a place for ultimate relaxation.

OUR GYM

What would the Olympic Hotel be without a gym? That's what we thought. In our gym, you will find a mix of modern equipment as well as traditional weights. Train for the marathon with a wonderful view of the Olympic Stadium.

HOT TUB & SAUNA

Just went to the gym or attended a hectic meeting? Allow yourself to take a timeout and enjoy some well deserved rest. For instance, chillout in one of our hot tubs with a panoramic view stretching over the water or in our spacious dry sauna. Don't forget your bathing suit!

BIKE RENTAL

The best way to discover Amsterdam is no doubt by bike. No wonder the city has more bikes than people, totaling at over 881,000 to be precise. That's why, we also offer a bike rental service. Whether you are with the whole family or by yourself, pull out your yellow sweater and visit all the highlights of the city in a healthy, fun and practical way!

ROOFTOP TERRACE

Enjoy our hidden rooftop oasis with hot tubs, hammocks and plenty of room to sit back and relax. The perfect place to take a breath of fresh morning air or to gaze at the late night city lights of Amsterdam.

FOOD & BEVERAGES

Leading a hungry team? Staying motivated and sharp is only possible with quality food and drinks. We can arrange a lovely lunch, hearty snack moment or extensive aperitif arrangement.

Of course the stylish CINQ Restaurant, situated on the ground floor of our hotel, is the perfect location to finish the day with a delicious dinner. Below you can find our catering options. We'd love to give you further advice on all the possibilities we offer.

CINQ Oriental Bistro invites you to explore the oriental tales through rich flavours and textures of the Japanese 'power of five,' served in cosmopolitan atmosphere that combines modern Asian aesthetic with sophisticated French finesse.

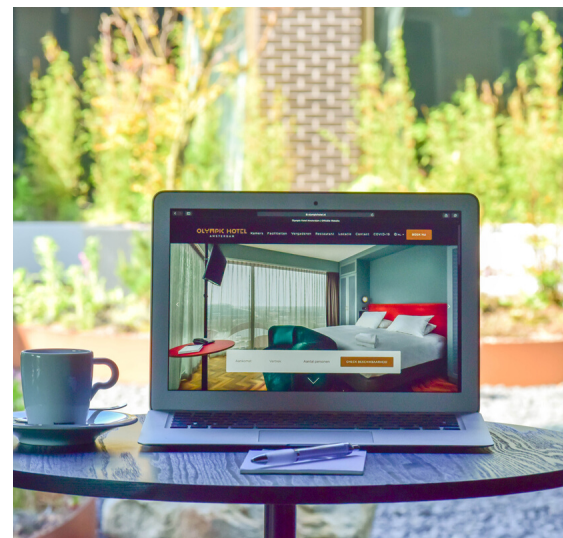

For a head start in the morning or a delicious finish at night. With its kick ass coffee, comfort food and casual vibes, **Cafe Olympic** connects people while making them feel like champs.

THE PERFECT BASE FOR EVERY GOAL

Situated right next to the historic Olympic Stadium, Frans Otten Stadium and Sporthallen Zuid, Olympic Hotel Amsterdam is the perfect base for athletes, sponsors, organizers and journalists.

The path next to the hotel connects the Vondelpark with the Amsterdam Forest where you can take a peaceful stroll or explore by bike. For the days where getting out of bed feels like an Olympic challenge, we recommend taking a quiet walk across the beautiful landscape.

A stone's throw away from the Zuidas

Housing over 700 companies, the Zuidas is ideal for anyone who visits our capital for business. Thanks to the nearby public transport stops, the entire city is within reach. By car, it's only 5 minutes to the highway A10 that surrounds Amsterdam.

The hotel has parking spaces for (electric) cars and motorcycles. Nearby public transport stops: IJsbaanpad, Olympisch Stadion, and Amstelveenseweg.
