

## PLAY ON #ATTHEMOXY

Moxy® Hotels makes play easy and work fun, with the heart of a boutique hotel and an attitude that doesn't always follow the rules. There's a drink waiting for you with your room key and someone at the bar that might be your new BFF. Communal spaces buzz with the energy of our fun-hunting, free-spirited guests, both day and night. We're not here to disrupt your travel style, we're here to bring it out. So, go on, carry on, Play On #atthemoxy.

## MAKE AN ENTRANCE

Step inside and make a beeline for the bar : We're not big on convention or wasted space — that's why our bar doubles as a place to check in. Pick up your key and a cocktail before heading to your room.

## DRINK+EAT

Bar Moxy is the center of how we play and eat. Recover from a late-night meeting or keep it going with a freshly made cappuccino from the barista counter. Have breakfast for dinner and dessert for breakfast: We're told our made-to-order naan always hits the spot.

## HANGOUT

The Library is the perfect spot to chill out, meet up and get the creative juices flowing. Plus, hyper-fast Wi-Fi and plugs galore make it easy to connect. The Lounge is where the buzz lives, from daytime hangout to late-night hot spot.

## WORKOUT

Mix up your fitness routine. Our boxing bag, gymnastics equipment, signature racing bike and full-circuit gym are available 24/7.

## SLEEP WITH US

With our guest rooms, it's not the size that matters ... it's how we use them. From our plush platform beds to a fun-size work surface and comfy lounge chair, our rooms are the perfect spots to work and play. Our glass-enclosed showers are textured so you have all (or none) of the privacy you want. Style, comfort and function fit big offerings into a small footprint.

## HELP YOURSELF

Here it's about what you want, when you want it. Stock up on snacks and drinks from our 24/7 Grab and Go for wherever your day, or night, takes you.

## OUR CREW

Our crew members do it all and love doing it — so if you need something, ask! Friendly and fearless, they will happily tell you where to go on your next adventure.
