

Leman Locke Aldgate, London.

15 Leman St, Whitechapel, London E1 8EN

Stay on your terms in East London.

Leman Locke is the original Locke. Opened in 2016, it has all the style of a boutique hotel, with the flexibility and space of a serviced apartment. It's also very much part of the local community.

Stay at Leman Locke and you'll be invited to mingle with locals at yoga, food events and exhibitions. You'll get to experience, rather than observe. And you'll get to live, rather than stay.
