# HUE

*Charm of  
Cultural Heritage*

Daydreaming to the melodies of Hue and guests may get lost in the tranquillity through the streets, citadels and along the Perfume River. Transforming younger and younger every day, Hue also offers guests interesting sights that bring the history and culture of Vietnam to life in a very special way.

*“Timeless luxury  
in Imperial City”*

With each detail painstakingly crafted, to emphasizing refined glamour and luxurious comfort, Silk Path Grand Hue Hotel & Spa provides guests with an extraordinary place for both private stay and public events by blending feudal architecture and expressive imperial-style decor harmoniously together. The impressive An Hien Garden House, a protected architectural heritage dating back to over a hundred years ago, sits in the middle of the city and provides visitors an escape to ancient times.
