INCENTIVE IDEAS

Sardinia

SCHOONER

Like true Sardinian pirates.

Set to sea on an unforgettable voyage aboard the Maby II. We sail to Capo Carbonara and the Isola dei Cavoli for a hiking and snorkelling session around the island. Lunch is served on board, followed by a chance to explore grottos, Saracen towers, fortresses and ancient lighthouses. Transfer via Villasimius on the way out, return by inflatable boat, docking on the hotel beach.

BETWEEN MOUNTAINS AND THE SEA

Explore Sardinia by Jeep.

A tour by Jeep exploring the natural beauty of Sardinia's south-eastern coast. On the first part of our journey, you'll discover the beaches, towers and grottos typical of southern Sardinia. Next we journey to Parco dei Sette Fratelli to scale a small mountain chain and reach Punta Ceraxia, the most striking peak at 1016 metres; from here you'll witness a natural landscape like no other in the world.

SARDINIAN SPIRIT

The secrets of Mirto liqueur.

Mirto liqueur, the ambassador for typical Sardinian products, is made using the berries and leaves of the myrtle plant that flourishes on the island. Mirto producers Bresca Dorada offer visitors the chance to watch each stage in the production of Sardinian Mirto along with other home-made culinary delights such as jams and preserves, rounding off the visit with a tasting session.

HORSE-RIDING

Discovering the Sardinian coast.

A unique experience in the company of expert guides on horseback, taking in the Saracen Tower and Capo Carbonara as you ride along with the typical Mediterranean maquis on one side and the sea on the other. The tour begins with a short lesson to help you familiarise yourself with the horses. A camera is a must to capture every moment on this unforgettable excursion!

ARGIOLAS WINERY

Wine tasting with the producers.

The history of the Argiolas winery began in Serdiana at the turn of the 20th century. It has continued to evolve ever since, driven by the founder's love for the land and respect for quality products - values he has passed down to the current generations. The tour takes in the areas where the must is fermented and the wine is aged in barrels, with a tasting of the label's wines accompanied by typical Sardinian products.

COOKERY COURSES

Discover the specialities of Sardinian cuisine.

Some secrets really need to be shared: that's why we run cookery master-classes at Capo Boi, led by our masters of culinary tradition. Learn to prepare classic "Fregola" pasta with Chef Massimiliano Balia, sumptuous Sardinian pastries with Antonello or signature cocktails with our bartenders.

CAGLIARI

Explore the region's capital.

Its historic centre brimming with traces of the past, Cagliari encapsulates the influences of the many dominions the island has witnessed over the centuries. Embark on an unmissable journey around the history, culture and craftsmanship of the region. The town is also the perfect place to savour the outstanding cuisine and culinary specialities of the local area.

THE SU NURAXI COMPLEX AT BARUMINI

A UNESCO World Heritage Site since 1997.

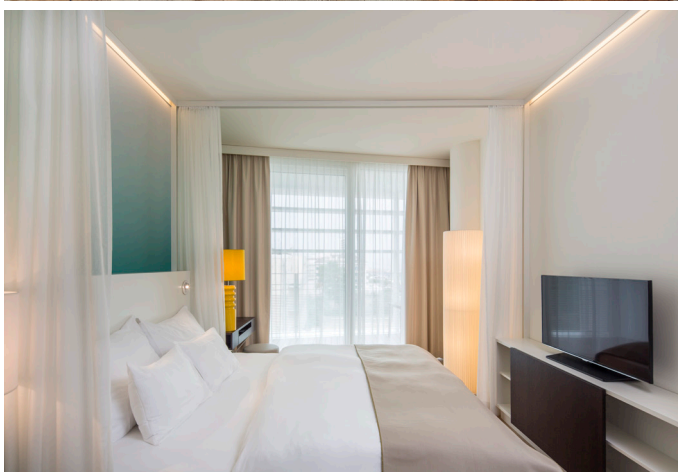

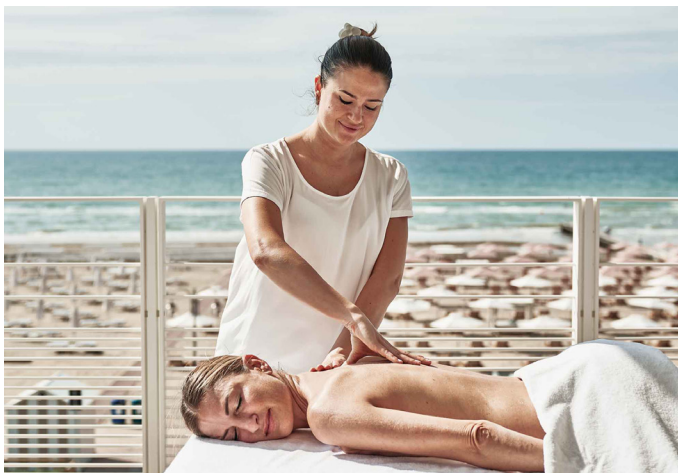

The nuraghe complex at Barumini is a place like no other. With its majestic central nuraghe or bastion known as "Su Nuraxi", it is Sardinia's largest and most important archaeological site and best preserved example of this type of structure. This highly formative experience will introduce you to a world rich in history and tradition.

Veneto

GO KART COMPETITION

Set your adrenaline racing on a real go kart track.

Accelerate your go kart to the max and take part in our competitions at Jesolo's Pista Azzurra track. The challenge is open to brave, fearless drivers who are looking for fun and time spent in great company. When the racing's over, enjoy an aperitif and lunch on the track.

CYCLING IN THE VENETIAN LAGOON

A relaxing bike ride through natural surroundings.

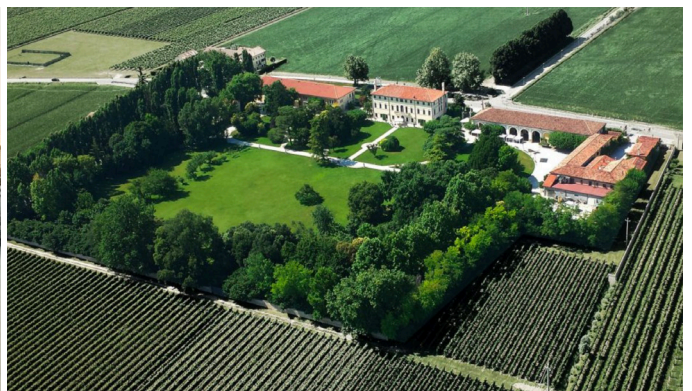

A chance to regenerate both body and mind as you explore Venice's northern lagoon, undisputed realm of a wealth of flora and fauna, including its distinctive pink flamingos. The lagoon is the main attraction here, with its light, colours, tranquillity and landscapes so beloved of Hemingway!

VENICE PHOTO RALLY

Capture the hidden side of the Serenissima.

A voyage of discovery around Venice not as a tourist, but as a true Venetian, as you photograph some of the city's most famous places and experience what everyday life is really like here. It's the best way to enjoy the Serenissima, savouring its unique charm as you wander leisurely around its narrow streets, lanes and piazzas.

WINE TASTING

For lovers of good wine and food.

A day filled with delicious flavours as you visit the Cantine Ornella Molon winery at 17th-century Villa Giustinian. Discover the wines, cellars, tiny Hostelry, wine shop and its culinary delights, museum of country life and the Villa gardens with their centuries-old plants.

SAILING COURSES

Want to be an expert skipper?

MASKED VENETIAN BALL

The timeless allure of Venetian masks.

A 15th-century palazzo with sumptuous baroque interiors, stunning gothic windows and a magnificent double flight staircase that leads up to the top floor. A magical place for a masked gala dinner, following the most ancient of Venetian traditions.

EDIPO RE BOAT EXPERIENCE

Explore the lagoon on Pasolini's boat.

Sail the Venetian lagoon on a sail boat with a truly unique history: Edipo Re is the boat which Italian painter Giuseppe Zigaina shared with his friend, the film director Pier Paolo Pasolini. It was a source of inspiration, convivial space and literary salon for Pasolini, who loved to spend time on board with his intellectual and artist friends, and where romance is said to have blossomed between the director and Maria Callas.

TREASURE HUNT

May the best hunter win!

A unique adventure around the streets of Venice, a race against time amid alternative routes, following mystery clues to help you interact and get to know each other better. An experience filled with fun and suspense, perfect for team building!

INCENTIVE IDEAS

Calabria

TARTUFO MAKING AND TASTING

All the secrets of the typical Calabria dessert.

The tartufo (truffle), a half-sphere of ice-cream with a melting dark chocolate heart - the only ice-cream in Europe to have obtained the PGI mark - is a delicacy of Calabrian confectionery conjured up in the 1950s in Pizzo. On a visit to a specialist workshop, you will see every stage in the preparation of the ice-cream truffle, before tasting the sweet delight that captures all the senses.

THEMED TEAM BUILDING EVENTS

Calabria's most thrilling outdoor sports.

In the stunning setting of the Calabrian countryside, amid wild, untainted landscapes, you'll experience high-octane water sports like rafting and kitesurfing and on-land adventures, climbing up dizzying canyons and exploring hard-to-reach areas by quad bike. Fill up on wellbeing, fun and freedom with your team.

GALA VINEYARD DINNER

An enchanting dinner in a vineyard setting.

An unforgettable dinner filled with all manner of sensory experiences. Set in the charming surroundings of a wine estate near Cosenza, this exclusive gala offers you the chance to savour delightful traditional cuisine and magnificent local wines, with the finest whites and reds. A romantic evening designed to be "sipped" slowly, amid country-chic atmospheres that will take you back in time.

FARMHOUSE COOKERY COURSES

Discover the finest Calabrian cuisine.

The perfect experience for anyone who loves learning new recipes. This half-day course will reveal the secrets of Fileja, the typical pasta of Calabria, the celebrated Nduja sausage, known for its unmistakable flavour, and other local specialities. The dishes you prepare on the course will be served for lunch or dinner, with wines and drinks included.

STILO AND GERACE

Uncovering thousands of years of history.

Gerace is an enchanting medieval village located inside the Aspromonte National Park. Known also as the “Holy City” for its numerous churches and monasteries, it is part of the “Most Beautiful Villages in Italy” circuit. The historic centre still retains its original Byzantine layout. In the village of Stilo, birthplace of the philosopher Tommaso Campanella, we visit the famous “Cattolica”, an exquisite religious building dating back to the 15th/16th century - a masterpiece of Byzantine architecture.

THE BLACK GOLD OF CALABRIA

A blend of history and flavours.

The green hillsides and crystal-clear sea, combined with an all-year-round mild climate, make Rossano an enticing location, overlooking the sea on the “Sibari Plain”. As well as the many palazzos and narrow lanes of its historic centre, the city also boasts a myriad of artistic treasures, dating back to its Greek colonisers. Particularly worthy of note are the Cathedral of Maria Santissima Achiropita, the Liquorice Museum and the Codex Purpureus Rossanensis, a UNESCO treasure.

STROMBOLI BY NIGHT

The magic of the volcano at sunset.

This tour takes you to Stromboli in the footsteps of the film director Roberto Rossellini, who set his film of the same name here. As you walk around the volcano, you can admire its beauty and spectacular eruptions, highlighted by the darkness. The volcano is unique in the world for its typical volcanic activity, known as “Strombolian”, with a high frequency of eruptions. Dinner can also be arranged on the island, making the evening even more magical.

SANTA SEVERINA AND LE CASTELLA

Byzantine, Norman and Aragonese Calabria.

Amid loamy hillsides and olive groves lies Santa Severina, whose Norman and Byzantine history is seen clearly in its well-preserved monuments: the Baptistery, the houses carved out of the rocks and the hospital church in the Byzantine quarter. After a visit to Capo Rizzuto, a protected marine area, we visit Le Castella, a village known for its 15th-century Aragonese fortress set atop a tiny island, and joined to the mainland by a narrow strip of sand.
