

6 REASONS TO CHOOSE LE ROYAL MONCEAU - RAFFLES PARIS

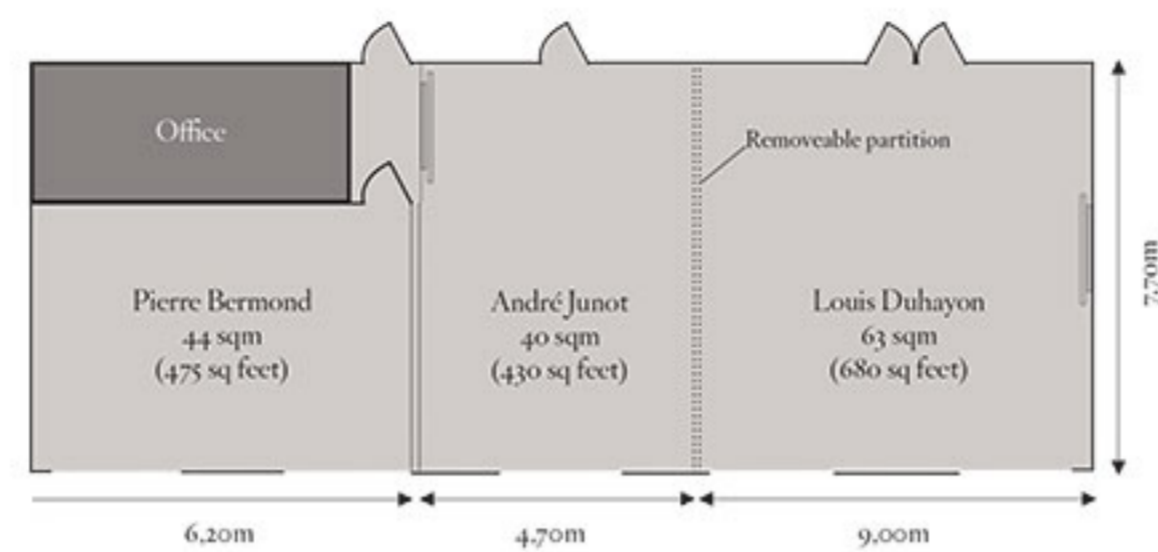

- A guaranteed exclusivity for your group since the hotel can only accommodate one group at a time. This is complemented with a selection of elegant business salons and suites tailored for groups, and a dedicated area for group check-in on arrival.
- A prestigious and practical location, just steps away from the Champs-Élysées, Arc de Triomphe and Faubourg Saint Honoré luxury shopping district. An oasis of calm and elegance in the heart of Paris, with a driveway and parking area for limousines.
- A unique atmosphere enlivened by Art & Culture, creating an inspirational venue for your guests – with an exclusive service of Art Concierge and private tours of our contemporary Art Collection.
- A fully flexible suite of function rooms, bathed in natural light, designed as Parisian apartments, perfectly suited for leadership retreats and board meetings. This includes three stunning 350sqm Presidential Suites and a 99-seat private Cinema Theatre – the only of its kind in Paris. A dedicated and professional team is available to help you customize and coordinate your event seamlessly.
- An exclusive culinary experience personally created by our Executive Chef Laurent André, with the option of 2 gastronomic restaurants (including the Michelin-star Italian restaurant Il Carpaccio), Wellbeing & Vitality menus and the ability to cater to specific diet requirements (gluten-free, lactose-free and vegetarian options).
