

Ostuni Rosa Marina Resort

Totally immersed in the greenery of a thick and splendid vegetation typical of the Mediterranean shrub, stands **Ostuni Rosa Marina Resort**, one of the most well-known hotels along the Adriatic coast since the end of the 70's.

A few steps from the sea of Ostuni, inside the village "Rosa Marina", the natural scenery that surrounds the Resort is the heart of the most evocative **Puglia**, where Nature displays itself at its best. Low trees, rushes, junipers, marine pines and wild olive trees, evergreen and aromatic plants shade the exteriors, painting a forest-green background on two open-air swimming pools and framing a series of rooms with a warm Mediterranean atmosphere.

Keyword: unwinding. Clean design that plays on the contrasts between the terracotta floor and fresh furnishings characterized by light materials and colors, outlining the typical elements of Puglia.

Guests can enjoy a private beach, where the sea breeze caresses the coasts and the amber sunsets reveal different shades every day.

PUGLIA

Discovering Puglia is the beginning of a true experience of love.

During the relatively mild fall and winter seasons, a vast choice of produce from the ground, beautiful colours, unique village festivals and ancient traditions is guaranteed, while spring and summer literally make Puglia bloom and burst with events, beach parties and shows.

Moreover, regardless of the season, it's possible to enjoy the natural landscapes and human settlements: always breath taking to watch.

ROOMS

The resort features 4 types of rooms, **Classic, Comfort, Superior e Suites**. 240 rooms, with simple lines and modern design, able to describe the close link between spaces, colors, light and natural materials strongly connected with the land of Puglia. Each room has verandas or terraces with a view of the luxuriant greenery. An important and refined architectural structure with comfortable and bright spaces, large and completely independent verandas that make the stay as a gratifying and relaxing experience.
