

Zero CO2
For you

Hilton hotels in the Netherlands have partnered with South Pole Group to offer you the opportunity to offset the carbon footprint of your meetings and events at no additional cost.

CARBON NEUTRAL MEETINGS

Hilton aims to deliver low environmental impact solutions that limit waste and increase the focus on local sourcing. Hilton’s Travel with Purpose goals aim to cut its environmental footprint in half and double its social impact by 2030.

Find out more about
Travel With Purpose

South Pole Group delivers emission and renewable energy by implementing global projects for organizations looking to compensate for their carbon footprint, with Hilton offsetting the carbon footprint of your next meeting or event at no additional cost.

Hilton will use its award-winning corporate responsibility performance management system, LightStay, to calculate your meeting’s energy, water and waste consumption and give you an estimated carbon footprint for your event.

The environmental impact of the Hilton hotels in the Netherlands is equivalent to:

1,294

Cars off the Road

28

Olympic Swimming Pools

1,418

Houses Powered

482

Households Waste

Carbon offsetting will be available at the following locations for meetings of ten participants or more at *DoubleTree by Hilton Amsterdam Centraal Station, Hilton Amsterdam Airport Schiphol, Hilton Garden Inn Leiden, Hilton The Hague, Waldorf Astoria Amsterdam, DoubleTree by Hilton Royal Parc Soestduinen, Hilton Amsterdam and Hilton Rotterdam.*

For more information or to book your next carbon neutral meeting at one of the Hilton hotels in the Netherlands, contact us via: book.thenetherlands@hilton.com.
